Dear Mr. Tuameh

I would like to thank you personally and on behalf of SOS Children's Village Association of Jordan for inviting two family houses to join other children on this special day.

We also thank you for making this Friday afternoon a joyful one for the children. Your hospitality to them as well as entertainment presented are much appreciated.

I kindly ask you to pass to your staff our deepest appreciation for creating a pleasant atmosphere and for helping in making this event a pleasant one for the children.

I take this opportunity to invite you on behalf of the children to visit them in their homes and in their village, in SOS Children's Village Amman to reciprocate your hospitality.

With best wishes,
I remain
