

# Summer Camp 2008

June 21 - August 15

The King Hussein Cancer Foundation & The King Hussein Cancer Center

would like to extend

## A BIG THANK YOU

to all companies and individuals who so generously gave towards creating a happy environment for hundreds of children through KHCC's Summer Camp 2008.

KHCC Summer Camp is a vital element of support which helps our youngest patients as they bravely fight their battle with cancer, providing a brief respite from their difficult cancer treatment. Because of our generous donors, this year's Summer Camp was a tremendous success!

Thank you for providing smiles, laughter, and rays of sunshine to KHCC Summer Camp participants. Your acts of kindness are etched in happy memories of our pediatric patients, their families and friends.
